BACK WORDS BY BUTCHER

The students of Blackford High School, as individuals, differ in interests and abilities. The school, in recognizing these students as separate identities, offers many different activities.

There are numerous reasons why activities are such an important part of school life. Through activities, the school attempts to help the student mature into a responsible adult. Active participation in Blackford's extracurricular program also promotes enduring qualities of good citizenship. The student's social development is increased through knowledge and experience. All of these efforts of the individual benefit the entire student body.

While the primary purpose of the school is to educate, this purpose is greatly enriched through school activities. These activities vary from sports to music to social events and are often the most treasured memories of high school. Because of the variety and importance of school activities and events, we have accented them in the 1966 Saga.

It is with great pleasure that the members of the yearbook staff of 1966 take this opportunity to honor Mrs. Joan Shahan for her outstanding contributions to Blackford High School.

As an English teacher Mrs. Shahan has conscientiously worked to develop successful and well prepared individuals. Her ability to stimulate comprehensive class discussions has inspired her students to seek the goal of openminded and imaginative thinking. Her dedication to her subject has provided many with a strong liberal arts background which will benefit them throughout their entire lives.

In addition to her teaching duties Mrs. Shahan has been the *Saga* advisor for five years. Few people realize the great amount of work that this job dictates. Much time, effort and worry is required to insure that each edition of the *Saga* is the best possible. Mrs. Shahan has unselfishly given her valuable time and outstanding ability to Blackford in order that the school might benefit from her knowledge and exceptional abilities.

To Mrs. Shahan, a devoted teacher and yearbook advisor, we respectfully and gratefully dedicate this fifth edition of the *Saga*.

BLACKFORD FOREIGN AMERICAN

PATRICIO
GUAJARDO
FROM
CHILE

EXCHANGE STUDENTS

FIELD SERVICE

Before I left my country, I told myself, "Forget everything you have heard about the United States of America and find out what it is like for yourself." When I got here, I met the most wonderful, nice, and friendly people I have ever known. I will never forget the marvelous experiences I shared with my American family and with my friends at school.

My staying in the United States is going to be an important chapter in my future life. I will always remember the hard time I had getting used to American customs, especially food, and I am very happy I tried, even happier, because I was successful.

All these things helped me to increase my knowledge about people. I was surprised when I learned that Americans are not rich people and that all they have, they have achieved because of work and effort.

I am becoming more outgoing than I ever was before. In Chile I never spoke before my school, even before a little group, but here, because of all the speeches I have given and the clubs and other activities I have participated in I am going back far more confident than I was.

What a sad feeling it is to think of going back to Chile when school is over, leaving this new and strange life, because after a whole year, I have fallen in love with the American people and with their country.

Finally I would like to say thank you to my teachers Mrs. Johnson, Miss Dravecky, Mr. Gilandon, Mrs. Mitchell, Mr. Pesut and the other people who helped me in any way that they could so my year at Blackford was successful. A very special thanks goes to Mr. Romer, Mr. Horrigan and Mrs. Couch who made my stay so pleasant and comfortable.

YOUTH FOR UNDERSTANDING

BO MARTHINSON FROM SWEDEN

Being the first exchange student under the Youth For Understanding program here at Blackford, I was a little uncertain how I would be accepted. Now that I have been here almost a year, I see my fears were unnecessary, and it has been a wonderful life experience I'll never forget.

It is impossible to say how much I like you and your school, I want to thank Mr. Romer, the teachers and staff and all you students for your kindness and friendliness. I hope some of you will come to Sweden and look me up some day.

Coach Brkljacich

COACH'S MESSAGE

The Blackford Braves had a tough football season in 1965. The squad had a 1-8 record. With a few breaks it could have been 7-2 or better. Inexperience was partly responsible for the Braves giving up the ball 38 times, (25 fumbles lost and 13 interceptions). **Mistakes like this hurt in each game played.**

Even though the Braves of 1965 only won one game they were "never out fought and never quit". They were in all but one game right to the end. The efforts of the following young men made this possible on offense: Doug Wright and Terry Rager, ends; Rich Dumanowski and Art Lyons, tackles; Doug Wills and Frank Cote, guards; Chuck Pottier, center; Budd Capero, Theron Jones, Ron Focht and Gary Asti, backs. On defense Mike Aguilera, Mike Leinwohl, Ron McGaughy, Larry Gross and some of the offensive men doubling on defense contributed to the finest defensive year we have had at Blackford. Only three teams rushed for 100 yards or more against our defensive unit.

With all the mishaps that occurred during the fall of '65, it is hoped that all of us at Blackford will profit from these mistakes. I wish success to the young men returning to the gridiron of Blackford in 1966 and to the seniors in whatever endeavor they select.

Rox.
Hi ya.

It's been a blast knowing you. P.E. has just been too much of a blast with you & everybody. Remember playing horse (hoops) that really cracked me up. I'll never forget. But I just have to mention one up. I'll never forget. But I just have to mention "KUNDE BATH" this is one person I'll never forget. I doubt if anyone else will either. Do you know about? I missed you go up on stage for that latin award. I really missed it. I could kill myself. I was really proud of you. Have fun this summer. Don't forget we love the "TROLLS" yes yes. Love ya lots
Tarey Turner

Dear Roxanne,
You are a beautiful creature. I saved this for you. I have a proposal for you!

I hope I see you next year when I am a sophomore
Thank Johnson

Roxie,
To my bestest friend, (or there abouts) I have always loved you. No this is not a proposal. We have been friends for a long time and I hope we are for always. Remember, don't be surprised if somewhere, sometime someone walks up to you & says: "you're cold!!!"
I suppose I'm cold!!
Love ya,
Roxie

Don't see much of you this year. It seems that I see you at the end of every year. See you next year. Good luck
